Take Me Home, Country Roads

John Denver

G *Em* *D* *C* *G*
Almost Heaven, West Virginia, Blue Ridge Mountains, Shenandoah River.
G *Em* *D* *C* *G*
Life is old there, older than the trees, younger than the mountains, blowin like a breeze.

G *D7* *Em* *C*
Country Roads, take me home, to the place I belong
G *D* *C* *G*
West Virginia, mountain mama, take me home, country roads.

G *Em* *D* *C* *G*
All my memories gather round her, miner's lady, stranger to blue water.
G *Em* *D* *C* *G*
Dark and dusty, painted on the sky, misty taste of moonshine, teardrop in my eye.

G *D7* *Em* *C*
Country Roads, take me home, to the place I belong
G *D* *C* *G*
West Virginia, mountain mama, take me home, country roads.

Em *D7/F#* *G*
I hear her voice in the morning hours she calls me
C *G* *D*
the radio reminds me of my home far away.
Em *F* *C* *G*
And driving down the road I get a feeling that I should have been home
D *D7*
yesterday, yesterday.

G *D7* *Em* *C*
Country Roads, take me home, to the place I belong
G *D* *C* *G*
West Virginia, mountain mama, take me home, country roads.

G *D7* *Em* *C*
Country Roads, take me home, to the place I belong
G *D* *C* *G*
West Virginia, mountain mama, take me home, country roads.

D *G*
Take me home, country roads.
D *G*
Take me home, country roads.

Rocky Mountain High

John Denver

D Em G
(2x)

A7

D *Em C A*
He was born in the summer, of his twenty seventh year;

D Em G
Coming home to a place he'd never been before

D
He left yesterday behind him,

Em C A
you might say he was born again

D Em G
You might say he found a key for every door

D Em C A
When he first came to the mountains, his life was far away;

D Em G
On the road and hanging by a song

D Em C A
But the string's already broken, and he doesn't really care;

D Em G A
It keeps changing fast, and it don't last for long

G A D
But the Colorado Rocky Mountain high

G A D
I've seen it raining fire in the sky

G A D G A G
The shadow from the starlight is softer than a lul la by

A D Em G
Rocky Mountain high, Colorado

A D Em G A7
Rocky Mountain high, Colorado

D Em C A
He climbed cathedral mountains, he saw silver clouds below;

D Em G
he saw everything as far as you can see

D
And they say that he got crazy once,

Em C A
and he tried to touch the sun;

D Em C G
And he lost a friend but kept the memory

D *Em* *C* *A*
 Now he walks in quiet solitude, the forests and the streams;
D *Em* *G*
 seeking grace in every step he takes
D *Em* *C* *A*
 His sight has turned inside himself to try and understand;
D *Em* *C* *G*
 the serenity of a clear blue mountain lake

G *A* *D*
 And the Colorado Rocky Mountain high
G *A* *D*
 I've seen it raining fire in the sky
G *A* *D* *G* *A* *G*
 talk to God and listen to the casual re ply
A *D* *Em* *G*
 Rocky Mountain high, Colorado
A *D* *Em* *G* *A7*
 Rocky Mountain high, Colorado

D
 Now his life is full of wonder,
Em *C* *A*
 but his heart still knows some fear;
D *Em* *C* *G*
 of a simple thing he cannot comprehend
D
 Why they try to tear the mountains down,
Em *C* *A*
 To bring in a couple more;
D *Em* *C* *G*
 more people, more scars upon the land

G *A* *D*
 And the Colorado Rocky Mountain high
G *A* *D*
 I've seen it raining fire in the sky
G *A* *D* *G* *A* *G*
 I know he'd be a poorer man if he never saw an eag le fly
A *D*
 Rocky Mountain high

G *A* *D*
 And the Colorado Rocky Mountain high
G *A* *D*
 I've seen it raining fire in the sky
G *A* *D* *A* *G*
 Friends around the campfire and every body's high

Green Green Grass of Home

A
D
A
 The old home town looks the same as I step down from the train,
A7
E
 and there to meet me is my Ma-ma and Pa-pa
A
D
 Down the road I look, and there runs Ma-ry hair of gold and lips like cher-ries,
A
E7
A
 it's good to touch the green green grass of home

A
D
 Yes, they'll all come to meet me, arms reach-ing, smil-ing sweet-ly
A
E7
A
 It's good to touch the green, green grass of home

A
D
A
 The old house is still stand-ing, though the paint is cracked and dry,
A7
E
 and there's that old oak tree that I used to play on
A
 Down the lane I walk with my sweet Ma-ry,
D
 hair of gold and lips like cher-ries,
A
E7
A
 it's good to touch the green, green grass of home

A
D
 Yes, they'll all come to meet me, arms reach-ing, smil-ing sweet- ly
A
E7
A
 It's good to touch the green, green grass of home

A
D
A
 Then I a-wake and look a-round me at four gray walls that sur-round me,
A7
E
 and I real-ize that I was on-ly dream-ing
A
 For there's a guard, and there's a sad old pa-dre,
D
 arm-in-arm we'll walk at day-break, a-gain
A
E7
A
 I'll touch the green, green grass of home

A
D
 Yes, they'll all come to see me, in the shade of that old oak treeâ
A
E7

 as they lay me 'neath the green, green grass of home.

Put Your Sweet Lips A Little Closer

Jim Reeves

C G C G

Intro:

C F C
Put your sweet lips a little closer to the phone
C G
Let's pretend that we're together all alone
C C7 F
I'll tell the man to turn the jukebox way down low
C G C
And you can tell your friend there with you, he'll have to go

C F C
Whisper to me, tell me do you love me true
C G
Or is he holding you the way I do
C C7 F
Though love is blind, make up your mind I've got to know
C G C C7
Should I hang up or will you tell him he'll have to go

F
You can't say the words I want to hear
C
While you're with another man
F
Do you want me answer yes or no
C G
Darlin' I will understand

C F C
Put your sweet lips a little closer to the phone
C G
Let's pretend that we're together all alone
C C7 F
I'll tell the man to turn the jukebox way down low
C G C
And you can tell your friend there with you, he'll have to go

Four Walls

Jim Reeves

G Am
Out where the bright lights are glowing
D G
You're drawn like a moth to a flame
G7 C
You laugh while the wine's over-flowing
G D G
While I sit and whisper your name.

CHORUS

G Am
Four walls to hear me
D G
Four walls to see
G7 C
Four walls too near me
G D G
Closing in on me.

Sometimes I ask while I'm waiting
But my walls have nothing to say
I'm made for love not for hating
So here where you left me I'll stay.

One night with you is like heaven
And so while I'm walking the floor
I listen for steps in the hallway
And wait for your knock on my door.

CHORUS

Lucille

Kenny Rogers

^A In a bar in Toledo across from the depot on a bar stool she took off her ring.
^E I thought I'd get closer so I walked on over ^E I sat down and asked her name. ^A

^A When the drinks finally hit her she said I'm no quitter but I finally quit livin on dreams ^D
^E I'm hungry for laughter and here ever after I'm after what the other life brings. ^A

^A In the mirror I saw him and I closely watched him I thought how he looked out of place. ^E
^E He came to the woman who sat there beside me he had a strange look on his face. ^A

^A His big hands were calloused he looked like a mountain for a minute I thought I was dead ^D
^E He started shaking his big heart was breaking he turned to the woman and said: ^{E7} ^A

^A You picked a fine time to leave me Lucille ^D
 with four hungry children and a crop in the field ^A
^D I've had some bad times lived through some sad times but this time your hurting won't heal ^A
^E you picked a fine time to leave me Lucille. ^A

^A After he left us I ordered more whiskey I thought how she'd made him look small ^E
^E From the lights of the bar room to a rented hotel room we walked without talking at all ^A

^A She was a beauty but when she came to me she must have thought I'd lost my mind ^{A7} ^D
^E I couldn't hold her 'cause the words that he told her kept coming back time after time ^{E7} ^A

^A You picked a fine time to leave me Lucille ^D
 with four hungry children and a crop in the field ^A
^D I've had some bad times lived through some sad times but this time your hurting won't heal ^A
^E you picked a fine time to leave me Lucille. ^A

Four Strong Winds

as by Ian and Sylvia Tyson

G Am D G
Four strong winds that blow lonely seven seas that run high

Am D D7
All those things that don't change come what may

G Am D G
But our good times are all gone and I'm bound for moving on

Am C D G D7
I'll look for you if I'm ever back this way

G Am D G
Think I'll go out to Alberta weather's good there in the fall

Am D D7
I got some friends that I can go to working for

But our good times are all gone and I'm bound for moving on

I'll look for you if I'm ever back this way

G Am D G
If I get there before the snow flies and if things are goin' good

Am D G D7
You could meet me if I sent you down the fare

G Am D G
But by then it would be winter there ain't too much for you to do

And those winds sure can blow cold way out there

Why Me Lord

Why me lord? ^G

 what did I ever do that was worth loving you or the kindness you've shown? ^{G7 C G D7 G G7}
 Lord help me Jesus, I've wasted it so help me Jesus, I know what I am ^{C G D7 G G7}

 I can show someone else, what I've been through my-self, on my way back to you. ^{G7 C G D7 G G7}

Help Me Make It Through The Night

Kris Kristofferson

^D
Take the ribbon from your hair
^G
shake it loose and let it fall
^A
layin` soft upon my skin
^D
like the shadows on the wall.

^D
Come and lay down by my side
^F
`till the early morning light
^A
all i`m taking is your time
^D
help me make it through the night.

^D ^G
I don`t care who`s right or wrong
^D
i don`t try to understand
^E
let the devil take tomorrow
^A
Lord, tonight i need a friend.

and tomorrow`s out of sight
^A
and it`s sad to be alone
^D
help me make it through the night.

^A
I don`t want to sleep alone.
^D
help me make it through the night.

Let Me Be There

Olivia Newton John

Wherever you go wherever you may wander in your life
 Surely you know I'll always wanna be there
 Holding your hand and standing by to catch you when you fall
 Seeing you through - in everything you do.

Let me be there in your morning let me be there in your night
 Let me change whatever's wrong and make it right
 Let me take you through that wonderland that only two can share
 All I ask you..... is let me be there

Watching you grow and going through the changes in your life
 That's how I know I'll always wanna be there
 Whenever you feel you need a friend to lean on, here I am
 Whenever you call... you know I'll be there

Let me be there in your morning let me be there in your night
 Let me change whatever's wrong and make it right
 Let me take you through that wonderland that only two can share
 All I ask you..... is let me be there (key change)

Let me be there in your morning let me be there in your night
 Let me change whatever's wrong and make it right
 Let me take you through that wonderland that only two can share
 All I ask you..... is let me be there
 All I ask you..... is let me be there

Folsom Prison Blues

Jonny Cash

E
I hear the train a-coming, it's rolling round the bend
E7
and I ain't seen the sunshine since I don't know when
A *E*
I'm stuck at Folsom Prison, and time keeps draggin' on
B7 *E*
But that train keeps a-rollin' on down to San Antone

E
When I was just a baby, my Mama told me 'Son,
E7
always be a good boy; don't ever play with guns.'
A *E*
But I shot a man in Reno, just to watch him die
B7 *E*
when I hear that whistle blowin' I hang my head and cry

E
I bet there's rich folks eatin' in a fancy dining car
E7
They're probably drinking coffee and smoking big cigars
A *E*
But I know I had it coming, I know I can't be free
B7 *E*
But those people keep a moving, and that's what tortures me

E
Well, if they freed me from this prison, if that railroad train was mine
E7
I bet I'd move it on a little farther down the line
A *E*
Far from Folsom Prison, that's where I want to stay
B7 *E*
And I'd let that lonesome whistle blow my blues away

Amazing Grace

A A7 D A
Amazing Grace! (how sweet the sound.)

E
That saved a wretch like me!

A A7 D A
I once was lost, but now am found.

A E A
Was blind, but now I see.

A A7 D A
'Twas grace that taught my heart to fear,

E
And grace my fears relieved.

A E7 D
How precious did that grace appear,

A E A
The hour I first believed.

A A7 D A
Through many dangers, toils and snares.

E
We have already come.

A A7 D A
'Twas grace hath brought us safe thus far,

A E A
And grace will lead us home.

A A7 D A
When we've been there ten thousand years,

E
Bright shining as the sun

A A7 D A
We've no less days to sing God's praise

A E A
Than when we first begun.

A A7 D A
Amazing Grace! (how sweet the sound.)

E
That saved a wretch like me!

A A7 D A
I once was lost, but now am found.

A E A
Was blind, but now I see.

She'll Be Coming Round The Mountain

(Verse 1)

She'll be coming 'round the mountain when she comes?
She'll be coming 'round the mountain when she comes?
She'll be coming 'round the mountain
She'll be coming 'round the mountain
She'll be coming 'round the mountain when she comes?

(Verse 2)

She'll be driving six white horses...

Oh, we'll all come out to meet her...

(Verse 4)

We will kill the old red rooster...

(Verse 5)

We'll all have chicken and dumplings...

On Top of Old Smokey

(Verse 1)

C F C
On top of old Smokey all covered with snow
G7 C
I lost my true lover for courting too slow

(Verse 2)

F G
For courting's a pleasure and parting's a grief
G7 C
And a false hearted lover is worse than a thief

(Verse 3)

F C
For a thief will just rob you and take all your pay
G7 C
But a false hearted lover will lead you to your grave

(Verse 4)

F C
And the grave will decay you and turn you to dust
G7 C
Not one boy in a hundred that a poor girl can trust

(Verse 5)

The'll hug you and kiss you and tell you more lies
G7 C
Than the crosswalks on the railroad and the stars in the sky

(Verse 6)

So come you young maidens and listen to me
G7 C
Never place your affections on a green willow tree

(Verse 7)

For the leaves will wither and the roots will die
G7 C
You'll all be forsaken and you'll never know why

You'll all be forsaken and you'll never know why

Show Me The Way To Go Home

 Show me the way to go home
A *E* *B*
 I'm tired and I want to go to bed
E *E7*
 I had a little drink about an hour ago
F# *B* *B7*
 And it's gone right to my head

 Over land or sea or foam
E *G#* *C#m* *A*
 You can always hear me singing this song
F#m *B* *E*
 Show me the way to go home

Home, Home on the Range

D *G* *D* *E7* *A7*
 Oh give me a home where the buffalo roam, Where the deer and the antelope play.
D *G* *D* *A7* *D*
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

D *A7* *D* *E7* *A7*
 Home, home on the range, Where the deer and the antelope play.
D *G* *D* *A7* *D*
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

D *G* *D* *E7* *A7*
 Where the air is so pure, and the zephyrs so free, The breezes so balmy and light,
D *G* *D* *A7* *D*
 That I would not exchange my home on the range, For all of the cities so bright.

D *A7* *D* *E7* *A7*
 Home, home on the range, Where the deer and the antelope play.
D *G* *D* *A7* *D*
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

D *G* *D* *E7* *A7*
 How often at night when the heavens are bright, With the light from the glittering stars,
D *G* *D* *A7* *D*
 Have I stood there amazed and asked as I gazed, If their glory ex-ceeds that of ours.

Home, home on the range, Where the deer and the antelope play.
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

Oh, I love these wild flowers in this dear land of ours, The curlew I love to hear cry,
 And I love the white rocks and the antelope flocks, That graze on the mountain slopes high.

Home, home on the range, Where the deer and the antelope play.
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

Oh give me a land where the bright diamond sand, Flows leisurely down in the stream;
 Where the graceful white swan goes gliding along, Like a maid in a heavenly dream.

Home, home on the range, Where the deer and the antelope play.
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

Then I would not exchange my home on the range, Where the deer and the antelope play;
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

Home, home on the range, Where the deer and the antelope play.
 Where seldom is heard a discouraging word, And the skies are not cloudy all day.

Down in the Valley

G D7
Down in the valley, the valley so low
D7 G
Hang your head over, hear the wind blow
G D7
Hear the wind blow, dear, hear the wind blow
D7 G
Hang your head over, hear the wind blow

Roses love sunshine, violets love dew
Angels in heaven, know I love you
Know I love you, dear, know I love you
Angels in heaven, know I love you

If you don't love me, love whom you please
Throw your arms 'round me, give my heart ease
Give my heart ease, dear, give my heart ease
Throw your arms 'round me, give my heart ease

Build me a castle 40 feet high
So I can see you as you ride by
As you ride by, dear, as you ride by
So I can see you as you ride by

Write me a letter, send it by mail
Send it in care of the Birmingham jail
Birmingham jail, dear, the Birmingham jail
Send it in care of the Birmingham jail

Writing this letter containing three lines
Answer my question "Will you be mine?"
Will you be mine, dear, will you be mine
Answer my question "Will you be mine?"

Well, he came home from college just the other day So much like a man I just had to say

"Son, I'm proud of you, can you sit for a while?" He shook his head and said with a smile

"What I'd really like, Dad, is to borrow the car keys

See you later, can I have them please?"

And the cat's in the cradle and the silver spoon

Little boy blue and the man on the moon

When you comin' home son?

I don't know when, but we'll get together then

You know we'll have a good time then

I've long since retired, my son's moved away I called him up just the other day

I said, "I'd like to see you if you don't mind" He said, "I'd love to, Dad, if I can find the time

You see my new job's a hassle and kids have the flu

But it's sure nice talking to you, Dad

It's been sure nice talking to you"

And as I hung up the phone it occurred to me

He'd grown up just like me

My boy was just like me

And the cat's in the cradle and the silver spoon

Little boy blue and the man on the moon

When you comin' home son?

I don't know when, but we'll get together then

You know we'll have a good time then

American Pie

Don McLean

(Verse 1)

G D/F# Em7
A long, long time ago,
Am C Em D
I can still remember how that music used to make me smile
G D/F# Em7
And I knew if I had my chance,
Am C Em C D
That I could make those people dance and maybe they'd be happy for a while
Em Am Em Am
But February made me shiver, with every paper I'd deliver
C G Am C D
Bad news on the doorstep, I couldn't take one more step
G D/F# Em Am7 D
I can't remember if I cried when I read about his widowed bride
G D Em
Something touched me deep inside
C D7 G
The day the music died

(Chorus)

G C G D
So bye, bye Miss American Pie
G C G D
Drove my Chevy to the levy but the levy was dry
G C G D
And them good old boys were drinkin' whiskey and rye
Em A7 Em D
Singin' this will be the day that I die, this will be the day that I die

(Verse 2)

G Am
Did you write the book of love
C Am Em D
And do you have faith in god above, if the bible tells you so?
G D/F# Em
Do you believe in rock and roll
Am7 C Em A7 E
Can music save your mortal soul and can you teach me how to dance real slow?
Em D Em D
Well I know that you're in love with him 'cuz I saw you dancin' in the gym
C G A7 C D7
You both kicked off your shoes, man I dig those rhythm and blues

G D/F# Em Am C
 I was a lonely teenage broncin' buck with a pink carnation and a pickup truck
 G D/F# Em C D7 G C G
 But I knew I was out of luck the day the music died, I started singin'

(Chorus)

G C G D
 Bye, bye Miss American Pie
 G C G D
 Drove my Chevy to the levy but the levy was dry
 G C G D
 And them good old boys were drinkin' whiskey and rye
 Em A7 Em D7
 Singin' this will be the day that I die, this will be the day that I die

(Verse 3)

G Am
 Now for ten years we've been on our own,
 C Am Em D
 and moss grows fat on a rolling stone but that's not how it used to be
 G D/F# Em
 When the jester sang for the king and queen
 Am7 C Em A7 D
 in a coat he borrowed from James Dean in a voice that came from you and me
 Em D Em D
 Oh, and while the king was looking down, the jester stole his thorny crown
 C G A7 C D7
 The courtroom was adjourned, no verdict was returned
 G D/F# Em Am C
 And while Lennon read a book on Marx, the quartet practiced in the park
 G D/F# Em C D7 G C G
 And we sang dirges in the dark the day the music died, we were singin'

(Chorus)

G C G D
 Bye, bye Miss American Pie

 Drove my Chevy to the levy but the levy was dry
 G C G D
 And them good old boys were drinkin' whiskey and rye

(Verse 4)

G Am
 Helter skelter in a summer swelter

C Am Em D
 the birds flew off with a fallout shelter, eight miles high and fallin' fast
 G D/F# Em
 It landed foul on the grass
 Am7 C Em A7 D
 the players tried for a forward pass, with the jester on the sidelines in a cast
 Em D Em D
 Now the half-time air was sweet perfume, while sergeants played a marching tune
 C G A7 C D7
 We all got up to dance, but we never got the chance
 G D/F# Em Am C
 G D/F# Em Am C
 'Cuz the players tried to take the field, the marching band refused to yield
 G D/F# Em C D7 G C G
 Do you recall what was revealed the day the music died, we started singin'

 a generation lost in space, with no time left to start again
 G D/F# Em Am7 C
 So come on Jack be nimble, Jack be quick, Jack Flash sat on a candle

 No angel born in Hell could break that Satan's spell

 And as the flames climbed high into the night to light the sacrificial rite

A harbour in the tempest.

Hurt

Johnny Cash

C D Am C D Am
 I hurt myself today to see if I still feel
C D Am C D Am
 I focus on the pain the only thing that's real
C D Am C D Am
 The needle tears a hole the old familiar sting
C D Am C D G
 Try to kill it all away but I remember everything

Am F C G

Am F C G
 What have I become my sweetest friend
Am F C G
 Everyone I know goes away in the end
Am F G G
 And you could have it all my empire of dirt
Am F G Am
 I will let you down I will make you hurt

C D Am C D Am
 I wear this crown of thorns upon my liar's chair
C D Am C D Am
 Full of broken thoughts I cannot repair
C D Am C D Am
 Beneath the stains of time the feeling disappears
C D Am C D G
 You are someone else I am still right here

Am F C G
 What have I become my sweetest friend
Am F C G
 Everyone I know goes away in the end
Am F G G
 And you could have it all my empire of dirt
Am F G G
 I will let you down I will make you hurt

 If I could start again a million miles away
Am F G D E
 I would keep myself I would find a way
